

Lafayette—West Lafayette Convention & Visitors Bureau Unveils Information Kiosks

On Monday, March 15, 2010, Lafayette Mayor Tony Roswarski and West Lafayette Mayor John Dennis joined Jo Wade from the CVB to unveil the first two information kiosks to be placed in the community. The two-sided kiosks contain maps and graphics designed to guide visitors to area services, shopping, dining, hotels, and nightlife spots. The kiosks were made possible through the combined efforts of the Lafayette Regional Association of Realtors, the Convention & Visitors Bureau, and the Downtown Development Corporation. Plans have been made to place a total of 16 kiosks throughout the Greater Lafayette area.
